

Privacy Policy

This policy comes in to force from 25 May 2018 as per the General Data Protection Regulation (GDPR).

Who We Are

Redborne Teaching School Alliance is one of three Teaching Schools in Central Bedfordshire. The others are BEST Teaching School and The Acorn Teaching School Alliance.

We all offer a wide range of CPD opportunities and events, some of which are commissioned by Central Bedfordshire Council and some use external providers. Redborne Upper School is also one of BEST Teaching School's key school strategic partners.

Redborne Teaching School Alliance uses Central Bedfordshire CPD Online to facilitate the booking process for CPD events and Professional Study Group meetings. Central Bedfordshire CPD online now has a new privacy policy to address these new regulations, which relates to transparency as to what the system collects and how it uses data.

You can read the Central Bedfordshire CPD Online full policy below, which gives more information as to what personal information is collected, why and how it is used.

The new policy is in effect from May 25 2018.
