

Transport Arrangements

There are a number of transport providers that serve our students. They are:

1 Central Bedfordshire Council

CBC provide transport for those students who are entitled to a free bus pass. They currently operate the following bus routes:

A01A	Haynes, Maulden
A02	Flitton, Silsoe
A03	Haynes, Maulden
A05A	Wilstead, Houghton Conquest, Maulden
A11	Tingrith, Eversholt, Lidlington, Millbrook
A14	Ridgmont, Husborne Crawley, Aspley Guise, Woburn Sands, Brogborough

If you would like to know if your son or daughter is entitled to a free bus pass please telephone School Transport on 0300 300 8339. Please note, entitlement is based on CBC policy and if your son or daughter was eligible in Years 9 to 11 to free transport it doesn't mean they would be entitled in the sixth form (Years 12 or 13).

2 Redborne Upper School

Redborne Upper School has contracted two local coach companies to provide three services on a bus pass only basis:

3H	Henlow, Clifton, Shefford, Campton, Meppershall, Shillington, Upper Gravenhurst
H14	Woburn, Aspley Heath, Woburn Sands, Aspley Guise, Husborne Crawley, Ridgmont
80H	Haynes, Wilstead, Maulden.

If you require a seat on any of the above three services, please complete an application form that will be provided in your joining pack in the spring of 2021. We will then advise you of the finalised cost for the service you wish to use, once they have been set. Details of the current costs for 2021-22 are available on our website.

Seats on all of these services are limited and are offered on a first-come-first-served basis.

Currently these services will be operating until at least July 2022 and are reviewed each year.

The current timetables for the bus services are included below.
