For everyone to be the best they can be	In our (wider) community	For the school building and environment
For everyone's future		

School values

- Morning registration is at 8.40 am, this is a vital slot that you **MUST** attend, the same applies for tutorial periods and assemblies. If you are regularly late do expect this to be followed up by your tutor or the year team.

RESPONSIBILITY

- Arrive at lessons promptly; the warning bell after break/lunch is the signal to leave so that you arrive at your lesson on time. This includes assemblies, enrichment and other commitments. **RESPONSIBILITY**

- If you **plan** to have a day off school for any reason you should complete a **Leave of Absence** form and it is an accepted courtesy to explain to your teachers and collect relevant work, **before** the day of absence. **RESPECT**

- You are fortunate to have study areas exclusively for you. Culcheth Centre and Connolly building, subject areas. **Use them. RESPONSIBILITY**

- If you are absent, you or your parent/guardian need to complete the Google Form as soon as possible each morning you are absent. **RESPECT**

Independence

Study periods

Sixth Form is **full time**. (There is time for around 10 hours of part time work). 27 hours/3 subjects or 36 hours/4 subjects per fortnight

If you were spending significantly less than the British average of 36.6 hours a week on your school work, research for higher education and enrichment, it could raise interesting questions...

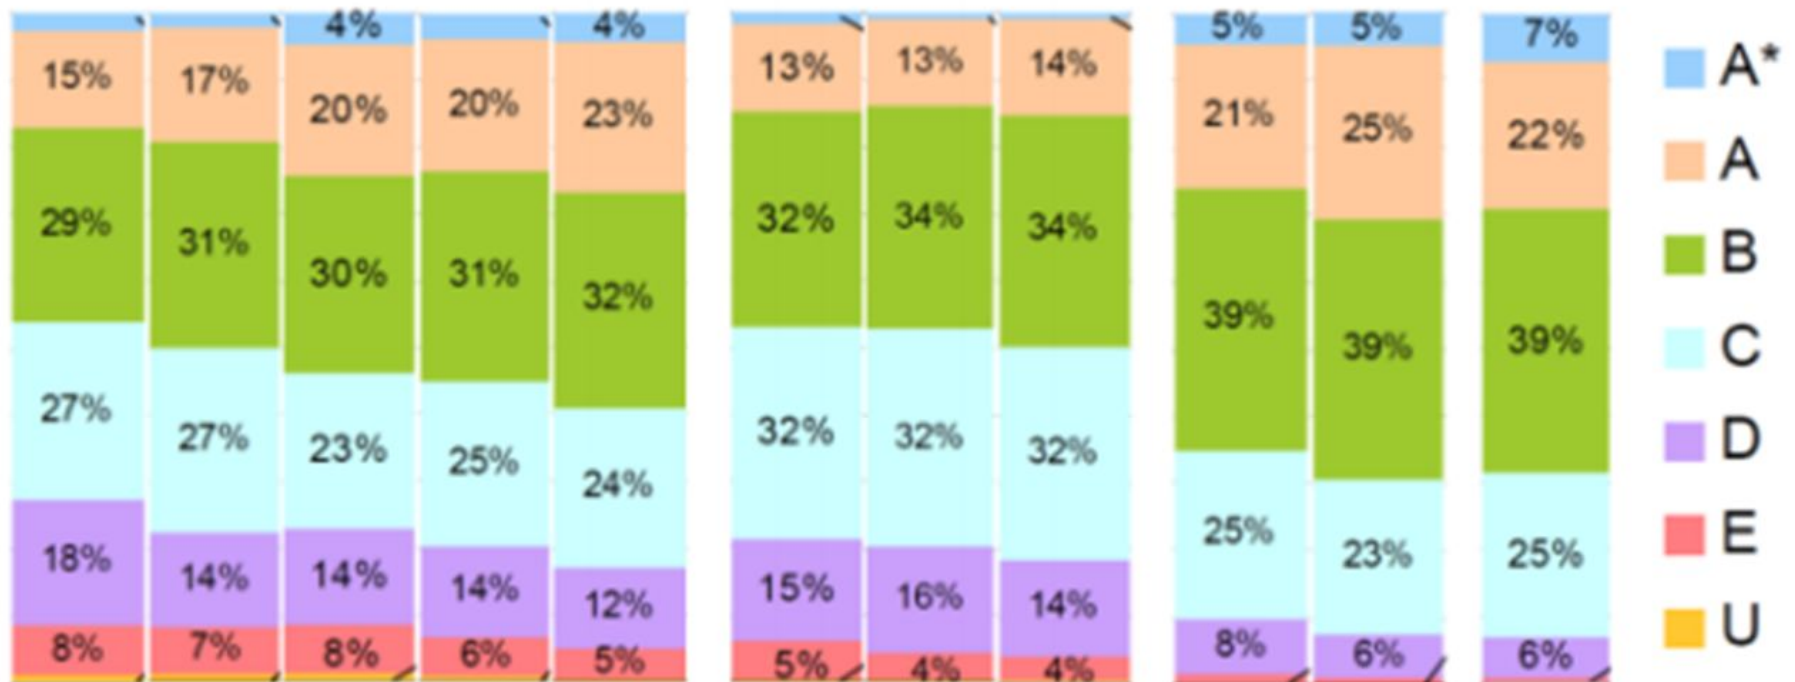

Previous successes doesn't automatically guarantee it for the future

Research suggests students who achieve A grades do 20 hours of **independent** study a week across 4 subjects/areas.

 2. Lower attendance correlates with more questions missed in exams
 3. Friendships

“

The fight is won or lost far
away from witnesses –
behind the lines, in the gym,
and out there on the road,
long before I dance under
those lights.
